MATERIAL CHANGES AND COMMITMENTS:

The year 2020-21 saw unprecedented disruption to lives and livelihoods across the world and India was no exception. The economy declined sharply during first half of the fiscal year as the country grappled with the pandemic, however, effective measures taken by the Government of India and the Reserve Bank of India helped the Indian economy to recover. Rapid rollout of vaccines coupled with Government's efforts on stimulating growth improved consumer sentiments. Notwithstanding these encouraging developments, the Covid-19 pandemic is far from over. The trajectory of the pandemic still remains unpredictable to a very large extent, with country already witnessing a second wave of Covid-19. Our overriding priority remains, therefore, to protect lives and livelihoods.

Those material changes and commitments which have occurred between the end of the financial year to which the financial statements relate and the date of this Report and their impact on financial position of the company is not determinable.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

As per the requirement of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion and Analysis of the events that have taken place and conditions prevailing during the period under review are elucidated.

a) INDUSTRY STRUCTURE & DEVELOPMENT

The Company is engaged in manufacturing of Granite Tiles & Slabs. The main market for the company's product is USA, South Africa, U.K, UAE, Canada, Europe and Australia. The Global and Domestic Economy have been witnessing sectoral turnaround during the year, yet economic challenges prevail, which have impact on construction and building material industries.

b) OUTLOOK

National initiatives such as „Make in India“, „Skill India“, „Startup India“, „Smart Cities“, „Housing for All“, „Affordable Low Cost Housing“; broadening financial inclusion, streamlining of taxation structure with the passage of the GST, strengthening of infrastructure, etc. would lead to improvement in the economic growth of the country in the coming future.

The company foresees reasonable growth of its product line and varieties of Natural stones, designer mosaics as well as semi precious stone products and concepts, subject to the nationwide economic activity being opening up fully post pandemic. The economic outlook for the year is still uncertain but viewed with cautious optimism. Our plans for the growth of the business and profitability are based on an average economic outlook, in the present business scenario.

c) OPPORTUNITY AND THREATS

The perceived threats for the Company are acute competition from Brazil and China, ever increasing material cost, unremunerative prices and availability of good quality raw materials due to export of the same in raw form.

The most likely fallout of the COVID-19 Pandemic is that countries are increasing likely to adopt more and more protectionist measures. While countries, particularly those exploring finished manufacturing goods with established export markets are likely to wade through such an environment, those like India that are depended on intermediate and agriculture exports and are on the look out to tap newer markets, are likely to find the going tougher.

The Stone Companies are working with great difficulties to fulfill orders. The virus is still spreading and has created a severe shortage of skilled labour in the quarries and factories because they have gone back to villages. There is no consistency of supply from the quarries. There are also restriction in movement of people from one state to another, which makes workers reluctant to return. In transport the problems come from reluctance of drivers to work due to fear of catching the virus.

The crisis is severe, but with the able management at the realm of affairs, the company, its products and the market will cover well and fast enough.

In Stone industry, unlike other minerals such as iron ore or coal, each colour or variety is a product by itself and the demand changes fast in consonance with the "fashion factor" abroad.

While the short run repercussion of the COVID-19 Pandemic on India's trade are somewhat foreseeable, its long to medium term fallout are anything but it.

d) RISKS & CONCERNS

Rough Granite Blocks are raw material for products of the Company. As such the export of Rough Blocks may affect the profitability of the Company. The currency movement of India or competing nation can impact the business negatively. If Indian currency appreciates compare to other exporting nations or competing country's currency depreciates it will impact our exports.

Over the last couple of years, the demand for engineered stone has increased at the expense of natural stones, which includes granite. While this change is more pronounced in certain countries, this trend could accelerate in the coming years and impact the long term demand potential for granite.

The company is constantly working to find new export markets for its products which will help in diversification of risks and any adverse currency movement in one country will have a minimal impact on company's business.

The government of India has approved a new scheme named Remission of Duties and Taxes on Exported products (RODTEP). While the finer details of this new scheme and remission rates under it are yet to be notified, the scheme essentially aims at refunding taxes and duties like value added tax on fuel that is beyond the ambit of the goods and service tax (GST) to exporter.

Intuitively this raise a major issue. Given what the RODTEP attempts to refund the rate under it are unlikely to be comparable to the MEIS rates lost in transit.

With India in a lockdown and a large chunk of its workforce, particularly, those employed in Micro, small and Medium enterprise back in the hinterlands, another major concern.

Emphasis of Matter

We draw attention to the following:

- a. Balances in respect of trade receivables, trade payables and loans and advances are subject to confirmation from respective parties (Refer Note No 42). However, in the opinion of the Management all the Current Assets and Non-current Financial Assets are approximately of the value stated in books if realized in the ordinary course of business and all the liabilities are payable except where there is dispute regrading quality of services. material or regarding rates.
- b. The Company is carrying Stock of Tiles for more than 5 years without any movement but not provision has been made for any obsolescence or diminution in the value due to efflux of time. In the opinion of the management, in Stone industry, unlike other minerals such as iron ore or coal, each colour or variety is a product by itself and the demand changes fast in consonance with the "fashion factor" abroad. It is natural product which in imperishable. It is commoditized business. Maintaining of large inventory is desirable in this business as we have to offer our customers so much in terms of variety, all sorts of colors, designs, textures and types. Tiles are extremely resilient when it comes to staining and wear and water resilient. As such the same no provision for diminution in value is required.(Refer Note No 40)
- c. The Company has not provided and paid interest on delayed payment to MSME as per the provisions of the MSME Act, 2006.(Refer Note No 16) It was informed by the Management that due to Pandemic Covid-19 the vendors have agreed to accept delayed payment without any interest and have not raised any objection. The impact of the same on the Profit and Loss for the year could not ascertained as the company has not calculated the amount of interest payable.
- d. We draw attention to note 44 of the Statement which describes the Management's evaluation of impact of uncertainties related to COVID-19 and its consequential effects on the carrying value of its assets as at March 31, 2021 and the operations of the Company.

Our audit opinion is not modified for the above matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Based on the facts and our professional judgement during the audit of financial statements of the current period, we have determined that there are no key audit .

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information. We are required to report the fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. That Board of Directors" are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonable knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would be reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

We have audited the internal financial controls over financial reporting of GLITTEK GRANITES LIMITED (“the Company”) as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and planed perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting of future periods are subject to the risk that the internal financial control over financial reporting may be inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
