For further details relating to the Offer Price, please refer to paragraph 6.1 (Justification of Offer Price) on page 29 of the LOF.
- Recommendations of the Committee of Independent Directors ("IDC"):** The IDC Recommendation was approved on Wednesday, May 13, 2026 and published on Thursday May 14, 2026 in the same Newspapers in which the DPS was published ("**IDC Recommendation**"). The IDC is of the opinion that the Offer Price to the Public Shareholders of the Target Company is fair and reasonable in terms of the SEBI (SAST) Regulations. However, the public shareholders of the Target Company are advised to independently evaluate the Open Offer and make informed decision about whether or not to tender their shares in the Open Offer. The relevant extract of the IDC Recommendation is given below:

6	Members of the Committee of Independent Directors	1. Manish Killa (Chairperson) 2. Malvika Sureka (Member) Siddhartha Agarwal (Member)
11	Recommendation on the Open offer, as to whether the offer is fair and reasonable	The IDC is of the opinion that the Offer Price of ₹ 12.65 (Rupees Twelve and Sixty Five Paise Only) per Equity Share has been determined in accordance with Regulations 8 of the SEBI (SAST) Regulations, being the highest of various parameters mentioned therein, and accordingly the Offer Price appears to be fair and reasonable. However, the public shareholders of the Target Company are advised to independently evaluate the Open Offer and make informed decision about whether or not to tender their equity shares in the Open Offer.
12	Summary of reasons for the recommendation (IDC may also invite attention to any other place, e.g. company's website, where its detailed recommendations along with written advice of the independent adviser, if any can be seen by the shareholder)	The IDC have perused the following Offer documents for recommendation on the Open Offer: 1. The Offer Price is equal to the negotiated price for acquisition of Equity Shares by the Acquirers under the Share Purchase Agreement i.e. ₹ 12.65/- (Rupees Twelve and Sixty Five Paise Only); 2. The Offer Price is higher than the volume-weighted average market price of Equity Shares for a period of sixty trading days immediately preceding the date of the Public Announcement as traded on the BSE Limited ("BSE") i.e. ₹ 12.39 (Rupees Twelve and paise Thirty Nine Only) (given that equity shares of the Target Company are frequently traded); and 3. The Offer Price (being the highest price prescribed amongst the various parameters) has been determined in accordance with Regulation 8(2) of the SEBI (SAST) Regulations. Based on the review of the Offer documents, the IDC members have, inter alia, considered the following factors for making the recommendations: 1. The Acquirers intend to strengthen and improve the operational efficiencies of the Target Company. 2. The Acquirers and PAC shall be classified as the members of the promoter and promoter group of the Target Company post completion of the Offer, in accordance with SEBI (SAST) Regulations. However, the IDC members draw attention of the eligible Public Shareholders to the closing market price of the Equity Shares on the BSE Limited as on May 12, 2026, being ₹ 44.78 (Rupees Forty Four and paise Seventy Eight) per Equity Share which is significantly higher than the Offer Price. The eligible Public Shareholders of the Target Company are advised to independently evaluate the Open Offer and the market performance of the Target Company's scrip and take an informed decision about tendering the Equity Shares held by them in the Open Offer. The statement of recommendation will be available on the website of the Target Company at www.glittek.com.
13	Disclosure of Voting Pattern	The recommendations were unanimously approved by the members of IDC.
14	Details of Independent Advisors, if any.	None

The Offer Price is higher than the volume-weighted average market price of Equity Shares for a period of sixty trading days immediately preceding the date of the Public Announcement as traded on the BSE Limited ("BSE") i.e. ₹12.39 (Rupees Twelve and pass Thirty Nine Paise Only) (given that equity shares of the Target Company are frequently traded); and The Offer Price (being the highest price prescribed amongst the various parameters) has been determined in accordance with Regulation 9(2) of the SEBI (SAST) Regulations. 1. The above is an extract of the detailed format of Quarterly / Annual Financial Results filed with the Stock Exchange under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The full format of the Quarterly / Annual Financial Results and Explanatory Notes are available on the Stock Exchange website at www.bseindia.com and on the Company's website at www.kirloskarpumps.com.
2. The figures for the Quarter ended 31st March 2026 and 31st March 2025 are the balancing figures between the audited figures in respect of the full financial year and the published year to date figures upto the end of third quarter of the respective financial year, which was subjected to Limited Review.
3. The Government of India has consolidated multiple existing labour legislations into a unified framework comprising of four Labour Codes, collectively referred to as the New Labour Codes and notified with effect from 21st November 2025. Based on the analysis of the information available so far and actuarial valuation, the Company has recognised in its standalone financials an incremental impact of Rs. 262 Million for the Quarter ended 31st March 2026 and Rs. 414 Million for the year ended 31st March 2026 as past service cost on post-employment defined benefits for its employees. Considering that this impact is driven by a regulatory change and is non-recurring in nature, it is classified under exceptional items in these financial results. The Company continues to monitor the developments relating to the implementation of the New Labour Codes and would review the estimates as further clarifications and rules are notified.
4. In consolidated financial statements, the exceptional items of Rs. 389 Million in FY 2025-26, Rs. 3.00 Million represents Payment under Voluntary Retirement Scheme in Karad Projects and Motors Limited (KPMIL) (erstwhile TKSL) and Rs. 28 Million for reversal of provision due to settlement of sales tax assessment in KPMIL and impact of labour code is Rs. 417 Million as explained in note no. 3 above.
The exceptional items for the Quarter ended 31st March 2026 is Rs. 417 Million related to project related reversal of KPMIL.
5. In consolidated financial statements, exceptional item for the year ended 31st March 2025, mainly included impairment of Rs. 61 Million goodwill pertaining to The Kolhapur Steel Limited (TKSL) consequent to its transfer within the group. Balance amount represents net credit amount of reversal of project related provisions and credit on sales tax related provisions of earlier period in respect of Company's subsidiary viz. Karad Projects and Motors Limited.
6. During the year, the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT"), passed an order dated 3rd November 2025 approving the merger of the Company's step down subsidiary, The Kolhapur Steel Limited (TKSL), into the company's wholly owned subsidiary, Karad Projects and Motors Limited (KPMIL), with an appointed date of 3rd October 2024. The order was subsequently filed with the Registrar of Companies (ROC) on 5th December 2025. During the year, the Company recovered certain old trade receivables for which provisions of Rs. 564 Million had been created over the years. Accordingly, the provision of Rs. 564 Million which is no longer required has been written back in the standalone financial statements under "Other Expenses". The write back does not have any impact on the Company's consolidated financial results.
7. The Board has recommended a final dividend of Rs. 7.00 per equity share (350%) subject to approval of the shareholders.
8. Figures for earlier periods have been regrouped/ reclassified wherever necessary to make them comparable with current period's figures.
9. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 12th May 2026 and 13th May 2026.

 - Recommendations of the Committee of Independent Directors ("IDC"):** The IDC Recommendation was approved on Wednesday, May 13, 2026 and published on Thursday May 14, 2026 in the same Newspapers in which the DPS was published ("IDC Recommendation"). The IDC is of the opinion that the Offer Price to the Public Shareholders of the Target Company is fair and reasonable in terms of the SEBI (SAST) Regulations. However, the public shareholders of the Target Company are advised to independently evaluate the Offer Offer and make informed decision about whether or not to tender their shares in the Open Offer. The relevant extract of the IDC Recommendation is given below:

6	Members of the Committee of Independent Directors	1. Manish Killa (Chairperson) 2. Malvika Sureka (Member) Siddhartha Agarwal (Member)
11	Recommendation on the Open offer, as to whether the offer is fair and reasonable	The IDC is of the opinion that the Offer Price of ₹ 12.65 (Rupees Twelve and Sixty Five Paise Only) per Equity Share has been determined in accordance with Regulations 8 of the SEBI (SAST) Regulations, being the highest of various parameters mentioned therein, and accordingly the Offer Price appears to be fair and reasonable. However, the public shareholders of the Target Company are advised to independently evaluate the Open Offer and make informed decision about whether or not to tender their equity shares in the Open Offer.
12	Summary of reasons for the recommendation (IDC may also invite attention to any other place, e.g. company's website, where its detailed recommendations along with written advice of the independent adviser, if any can be seen by the shareholder)	The IDC have perused the following Offer documents for recommendation on the Open Offer: 1. The Offer Price is equal to the negotiated price for acquisition of Equity Shares by the Acquirers under the Share Purchase Agreement i.e. ₹ 12.65/- (Rupees Twelve and Sixty Five Paise Only); 2. The Offer Price is higher than the volume-weighted average market price of Equity Shares for a period of sixty trading days immediately preceding the date of the Public Announcement as traded on the BSE Limited ("BSE") i.e. ₹ 12.39 (Rupees Twelve and paise Thirty Nine Only) (given that equity shares of the Target Company are frequently traded); and 3. The Offer Price (being the highest price prescribed amongst the various parameters) has been determined in accordance with Regulation 8(2) of the SEBI (SAST) Regulations. Based on the review of the Offer documents, the IDC members have, inter alia, considered the following factors for making the recommendations: 1. The Acquirers intend to strengthen and improve the operational efficiencies of the Target Company. 2. The Acquirers and PAC shall be classified as the members of the promoter and promoter group of the Target Company post completion of the Offer, in accordance with SEBI (SAST) Regulations. However, the IDC members draw attention of the eligible Public Shareholders to the closing market price of the Equity Shares on the BSE Limited as on May 12, 2026, being ₹ 44.78 (Rupees Forty Four and paise Seventy Eight) per Equity Share which is significantly higher than the Offer Price. The eligible Public Shareholders of the Target Company are advised to independently evaluate the Open Offer and the market performance of the Target Company's scrip and take an informed decision about tendering the Equity Shares held by them in the Open Offer. The statement of recommendation will be available on the website of the Target Company at www.glittek.com .
13	Disclosure of Voting Pattern	The recommendations were unanimously approved by the members of IDC.
14	Details of Independent Advisors, if any.	None
